# WHEN WOULD YOU LIKE ENTERTAINMENT?

---

So, you've set the date and found your perfect venue.

Sitting alongside all those other big decisions about what to wear, what to eat, who to invite there's also deciding on your music. When would you like your entertainment?

To help we've identified the six main areas for you...

## CEREMONY

The most personal part of the day. We'll make sure everything runs perfectly from the moment you walk down the aisle to your chosen song, capturing the atmosphere as you sign the register and finally raise the roof as you leave as a married couple!

## AFTER PARTY

Because who goes to bed at midnight? We'll recreate an intimate and exclusive MTV unplugged style after party for your chosen few - a live request show whereby you choose the entire set list. The perfect way to round off a perfect day.

## BREAKFAST

Bring your wedding breakfast to life and add a real personal touch to your first meal together. Choose from romantic candlelight piano arrangements of your favourite songs performed live or go big with a full West End Diva showcase between courses to really wow your guests!

## DRINKS

Be sure to keep your guests entertained as you get the perfect shots with your photographer. Let us take the stress away from you and play some reworked chart hits and acoustic classics while your guests sip their champagne in anticipation for the wedding breakfast.

## FIRST DANCE

The moment that every guest films on their phone.... We'll create a bespoke arrangement of your special song, perform it live with our team of talented musicians and make sure it's a moment to be remembered by everyone for years to come.

## EVENING

Whether it be a full 10 piece live band or a DJ with roaming brass section and percussion - make your evening a success by throwing your guests a party they'll never forget - and we'll ensure the dance floor stays full all night.

# WHAT KIND OF ENTERTAINMENT WOULD YOU LIKE?

---

So, you've sorted the timings of your music choices.

What entertainment would you like?

Here are six types of musical act to beautifully compliment your day...

## LIVE LOUNGE ACOUSTIC

Recreate a Live Lounge experience with an acoustic guitarist, pianist or singer. A perfect eclectic mix of your favourite chart hits and classics that are remixed and reworked to provide a chilled atmosphere for you and your guests.

## DJ, SAX, PERCUSSION

Bespoke set lists are created based upon you and your guests' individual taste in music and complimented by our team of outstanding musicians from chart hits and house classics to funk and soul - we'll be sure to get everyone out of their seat and on the dance floor.

## WEST END VOCALISTS

Our supremely talented live singers will tailor a set list based on your favourite music. A wide selection of unobtrusive, yet supremely talented vocalists, to west end powerhouse divas our team will be sure to deliver something for everyone.

## CLASSICAL

Add a touch of class with an electric string quartet, harpist, pianist or even a dedicated orchestra. You can tailor your very own exclusive set with some classical pieces & popular chart hits remixed for a sophisticated yet informal atmosphere.

## GOSPEL CHOIR

One for the 'stories' - recreate your own unforgettable moment with a flash-mob style Gospel Choir in your ceremony or drinks reception. Or simply to create a joyful, celebratory moment filled with music for you and your guests to enjoy.

## LIVE BAND

There's nothing like the interaction of a live band to get you and your guests on their feet. Whether it be classic house & chart hits to funk, soul or even swing - you name it - our energetic musicians have the perfect set to create a party to remember.
